

Virginland's Bottle Top Tag puts an end to liquor theft. It fits securely over the top of each bottle without diminishing the appearance of the product. The Bottle Tag is easy to apply and quick to remove at POS. It installs on almost any size bottle and comes in both the AM and RF frequency. The Bottle Tag is strong, virtually impossible for thieves to remove, yet affordable.

KEY FEATURES

- RF or AM technology
- Easy application & removal
- Difficult to defeat
- Impact resistant lock
- Works with super magnetic detacher (>7,500 Gauss)

SUGGESTED APPLICATIONS

Liquor bottles, wine.
